Client means the applicant (employer or other organization) contracting to obtain Benefits for Eligible Employees.

Contract Dentist means a Dentist who provides services in general dentistry, and who has agreed to provide Benefits to Enrollees under this Program.

Contract Orthodontist means a Dentist who specializes in orthodontics, and who has agreed to provide Benefits to Enrollees under this Program.

Contract Specialist means a Dentist who provides Specialist Services, and has agreed to provide Benefits to Enrollees under this Program.

Copayment means the amount charged to an Enrollee by a Contract Dentist for the Benefits provided under this Program.

Dentist means a duly licensed Dentist legally entitled to practice dentistry at the time and in the state or jurisdiction in which services are performed.

Domestic Partner means a domestic partnership shall exist between two people (regardless of their gender) and each of them shall be the domestic partner of the other if they complete, sign and file with the Personnel Department Benefits Division of City of Los Angeles an Affidavit of Domestic Partnership. A domestic partner is subject to the same terms and conditions as any other Dependent enrolled under this Contract.

Eligible Dependent means any dependent of an Eligible Employee who is eligible for Benefits as described in this booklet.

Eligible Employee means any employee or group member who is eligible for Benefits as described in this booklet.

Emergency Service means care provided by a Dentist to treat a dental condition which manifests as a symptom of sufficient severity, including severe pain, such that the absence of immediate attention could reasonably be expected by the Enrollee to result in either: (i) placing the Enrollee's dental health in serious jeopardy, or (ii) serious impairment to dental functions.

Enrollee means an Eligible Employee ("Primary Enrollee") or an Eligible Dependent ("Dependent Enrollee") enrolled to receive Benefits.

Open Enrollment Period means the month of October preceding the annual commencement of the contract term.

Out-of-Network means treatment by a Dentist who has not signed an agreement with Delta Dental to provide Benefits under this Program.

Preauthorization means the process by which Delta Dental determines if a procedure or treatment is a referable covered Benefit under the Enrollee's plan.

Reasonable means that an Enrollee exercises prudent judgment in determining that a dental emergency exists and makes at least one attempt to contact his/her Contract Dentist to obtain Emergency Services and, in the event the Dentist is not available, makes at least one attempt to contact Delta Dental for assistance before seeking care from another Dentist.

Special Health Care Need means a physical or mental impairment, limitation or condition that substantially interferes with an Enrollee's ability to obtain Benefits. Examples of such a Special Health Care Need are 1) the Enrollee's inability to obtain access to the assigned Contract Dentist's facility because of a physical disability and 2) the Enrollee's inability to comply with the Contract Dentist's instructions during examination or treatment because of physical disability or mental incapacity.

Specialist Services mean services performed by a Dentist who specializes in the practice of oral surgery, endodontics, periodontics or pediatric dentistry, and which must be preauthorized in writing by Delta Dental.

Treatment In Progress means any single dental procedure, as defined by the CDT Code, that has been started while the Enrollee was eligible to receive Benefits, and for which multiple appointments are necessary to complete the procedure whether or not the Enrollee continues to be eligible for Benefits under the DeltaCare USA plan. Examples include: teeth that have been prepared for crowns, root canals where a working length has been established and full or partial dentures for which an impression has been taken and orthodontics when bands have been placed and tooth movement has begun.

We, Us or Our means Delta Dental of California or the Administrator as appropriate.

Eligibility for Benefits

Eligible Employees and Eligible Dependents receive Benefits as soon as they are enrolled in the Program. Subject to cancellation as provided under this Program, enrollment of Eligible Employees and Eligible Dependents is for a minimum period of one year.

You are eligible to enroll as an Eligible Employee if you meet the eligibility requirements defined by the Client.

Eligible Dependents become eligible on:

- 1) the date you are eligible for coverage;
- 2) as soon as an Eligible Dependent becomes your dependent, or at any time subject to a change in legal custody or lawful order to provide Benefits.

Eligible Dependents include:

- 1) spouse (unless legally separated or divorced) or Domestic Partner regardless of gender (until such partnership is terminated by either or both parties);
- 2) children from birth up to age 26.

Children include natural children, stepchildren, adopted children, foster children and eligible children of a Domestic Partner. Grandchildren are eligible provided you have legal custody and have provided the City of Los Angeles with copies of court documents; or if the grandchild's parent is your dependent child. Newborn children (including newborn adopted children) are covered from and after the moment of birth. Notice of birth must be received within 31 days after the date of birth for coverage to continue beyond 31 days. Legally adopted children (other than newborns) are eligible from and after the moment the child is placed in the physical custody of the Eligible Employee for adoption.

A dependent child may continue eligibility if:

- 1) he or she is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
- 2) he or she is chiefly dependent on you for support; and
- 3) proof of dependent's disability is provided within 60 days of request. Such requests will not be made more than once a year following a two year period after this dependent reaches the limiting age. Eligibility will continue as long as the dependent relies on you for support because of a physically or mentally disabling injury, illness or condition that began before he or she reached the limiting age.

Dependents in active military service are not eligible.

If you and your spouse or domestic partner are both employees of the City of Los Angeles, the employee cannot enroll as both an employee and as a Dependent of their spouse or domestic partner. In such cases, they must both enroll as individuals. If the Eligible Employee and spouse or domestic partner have dependents then one must enroll as employee only and the other must enroll as an employee with dependents.

Medicare eligibility shall not affect the eligibility of an Eligible Member or an Eligible Dependent.

Prepayment Fees/Premiums

This Program requires premiums to be paid to us. If you are required to pay all or any portion of the premiums, you will be advised of the amount prior to enrollment and it will be deducted from your earnings by payroll deduction, or you will be requested to pay it directly. The Client will be responsible for sending all payments of premiums to us except payments you are requested to pay directly.

How to use the DeltaCare USA Plan - Choice of Contract Dentist

To enroll in this Program, you must select a Contract Dentist for both yourself and any Dependent Enrollee from the list of Contract Dentists furnished during the enrollment process. Collectively, you and your Eligible Dependents may select no more than three Contract Dentist facilities. If you fail to select a Contract Dentist or the Contract Dentist selected becomes unavailable, we will request the selection of another Contract Dentist or assign you to a Contract Dentist. You may change your assigned Contract Dentist by directing a request to the Customer Service department at 800-422-4234. In order to ensure that your Contract Dentist is notified and our eligibility lists are correct, changes in Contract Dentists must be requested prior to the 21st of the month for changes to be effective the first day of the following month.

Shortly after enrollment you will receive a DeltaCare USA membership packet that tells you the effective date of your Program and the address and telephone number of your Contract Dentist. After the effective date in your membership packet, you may obtain dental services which are Benefits. To make an appointment, simply call your Contract Dentist's facility and identify yourself as a DeltaCare USA Enrollee. Initial appointments should be scheduled within four weeks unless a specific time has been requested. Inquiries regarding availability of appointments and accessibility of Dentists should be directed to the Customer Service department at 800-422-4234.

EACH ENROLLEE MUST GO TO HIS OR HER ASSIGNED CONTRACT DENTIST TO OBTAIN COVERED SERVICES, EXCEPT FOR SERVICES PROVIDED BY A SPECIALIST PREAUTHORIZED IN WRITING BY DELTA DENTAL, OR FOR EMERGENCY SERVICES AS PROVIDED IN *EMERGENCY SERVICES*. ANY OTHER TREATMENT IS NOT COVERED UNDER THIS PROGRAM.

If your assigned Contract Dentist's agreement with Delta Dental terminates, that Contract Dentist will complete (a) a partial or full denture for which final impressions have been taken, and (b) all work on every tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

Continuity of Care

Current Members:

You may have the right to the benefit of completion of care with your terminated Dentist for certain specified dental conditions. Please call Customer Service at 800-422-4234 to see if you may be eligible for this benefit. You may request a copy of our Continuity of Care Policy. You must make a specific request to continue under the care of your terminated Dentist. We are not required to continue your care with that Dentist if you are not eligible under our policy or if we cannot reach agreement with your terminated Dentist on the terms regarding your care in accordance with California law.

New Members:

You may have the right to the qualified benefit of completion of care with an Out-of-Network Dentist for certain specified dental conditions. Please call the Customer Service department at 800-422-4234 to see if you may be eligible for this benefit. You may request a copy of our Continuity of Care Policy. You must make a specific request to continue under the care of your current Dentist. We are not required to continue your care with that Dentist if you are not eligible under our policy or if we cannot reach agreement with your Dentist on the terms regarding your care in accordance with California law. This policy does not apply to new Members of an individual subscriber contract.

Special Needs

If an Enrollee believes he or she has a Special Health Care Need, the Enrollee should contact Delta Dental's Customer Service department at 800-422-4234. Delta Dental will confirm that a Special Health Care Need exists, and what arrangements can be made to assist the Enrollee in obtaining such Benefits. Delta Dental shall not be responsible for the failure of any Contract Dentist to comply with any law or regulation concerning structural office requirements that apply to a Dentist treating persons with Special Health Care Needs.

Facility Accessibility

Many facilities provide Delta Dental with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding facility accessibility, contact Delta Dental's Customer Service department at 800-422-4234.

Benefits, Limitations and Exclusions

This Program provides the Benefits described in the *Description of Benefits and Copayments* subject to the limitations and exclusions. The services are performed as deemed appropriate by your attending Contract Dentist. A Contract Dentist may provide services either personally or through associated Dentists, technicians or hygienists who may lawfully perform the services.

Copayments and Other Charges

You are required to pay any Copayments listed in the *Description of Benefits and Copayments* directly to the Dentist who provides treatment. Charges for broken appointments (unless notice is received by the Dentist at least 24 hours in advance or an emergency prevented such notice), and charges for visits after normal visiting hours are listed in the *Description of Benefits and Copayments*.

Emergency Services

If Emergency Services are needed, you should contact your Contract Dentist whenever possible. If you are a new Enrollee needing Emergency Services, but do not have an assigned Contract Dentist yet, contact Delta Dental's Customer Service department at 800-422-4234 for help in locating a Contract Dentist. Benefits for Emergency Services by an Out-of-Network Dentist are limited to necessary care to stabilize your condition and/or provide palliative relief when you:

- 1) have made a Reasonable attempt to contact the Contract Dentist and the Contract Dentist is unavailable or you cannot be seen within 24 hours of making contact; or
- 2) have made a Reasonable attempt to contact Delta Dental prior to receiving Emergency Services, or it is Reasonable for you to access Emergency Services without prior contact with Delta Dental; or
- 3) reasonably believe that your condition makes it dentally/medically inappropriate to travel to the Contract Dentist to receive Emergency Services.

Benefits for Emergency Services not provided by the Contract Dentist are limited to a maximum of \$100.00 per emergency, per Enrollee, less the applicable Copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a provider other than your Contract Dentist.

Specialist Services

Specialist Services must be referred by the assigned Contract Dentist and preauthorized in writing by Delta Dental. All preauthorized Specialist Services will be paid by us less any applicable Copayments. If an Enrollee is assigned to a dental school clinic for Specialist Services, those services may be provided by a Dentist, a dental student, a clinician or a dental instructor.

If the services of a Contract Orthodontist are needed, please refer to Orthodontics in the *Description of Benefits and Copayments*, and the limitations and exclusions to determine which procedures are covered under this Program.

Second Opinion

You may request a second opinion if you disagree with or question the diagnosis and/or treatment plan determination made by your Contract Dentist. Delta Dental may also request that you obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be rendered by a licensed Dentist in a timely manner, appropriate to the nature of your condition. Requests involving cases of imminent and serious health threat will be expedited (authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion authorizations, contact Delta Dental's Customer Service department at 800-422-4234 or write to Delta Dental.

Second opinions will be provided at another Contract Dentist's facility, unless otherwise authorized by Delta Dental. Delta Dental will authorize a second opinion by an Out-of-Network provider if an appropriately qualified Contract Dentist is not available. Delta Dental will only pay for a second opinion which Delta Dental has approved or authorized. You will be sent a written notification should Delta Dental decide not to authorize a second opinion. If you disagree with this determination, you may file a grievance with the plan or with the Department of Managed Health Care. Refer to the *Enrollee Complaint Procedure* section for more information.

Claims for Reimbursement

Claims for covered Emergency Services or preauthorized Specialist Services should be submitted to Delta Dental within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if you can show that it was not reasonably possible to submit the claim within that time. The address for claims submission is: Claims Department, P.O. Box 1810, Alpharetta, GA 30023.

Provider Compensation

A Contract Dentist is compensated by Delta Dental through monthly capitation (an amount based on the number of Enrollees assigned to the Dentist), and by Enrollees through required Copayments for treatment received. A Contract Specialist is compensated by Delta Dental through an agreed-upon amount for each covered procedure, less the applicable Copayment paid by the Enrollee. In no event does Delta Dental pay a Contract Dentist or a specialist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

In the event we fail to pay a Contract Dentist, you will not be liable to that Dentist for any sums owed by us. By statute, the DeltaCare USA provider contract contains a provision prohibiting a Contract Dentist from charging an Enrollee for any sums owed by Delta Dental. Except for the provisions in *Emergency Services*, if you have not received Preauthorization for treatment from an Out-of-Network Dentist, and we fail to pay that Out-of-Network Dentist, you may be liable to that Dentist for the cost of services.

You may obtain further information concerning compensation by calling Delta Dental at the toll-free telephone number shown on the back cover of this booklet.

Processing Policies

The dental care guidelines for the DeltaCare USA Program explain to Contract Dentists what services are covered under the dental Contract. Contract Dentists will use their professional judgment to determine which services are appropriate for the Enrollee. Services performed by the Contract Dentist that fall under the scope of Benefits of the dental Program are provided subject to any Copayments. If a Contract Dentist believes that an Enrollee should seek treatment from a specialist, the Contract Dentist contacts Delta Dental for a determination of whether the proposed treatment is a covered benefit. Delta Dental will also determine whether the proposed treatment requires treatment by a specialist. An Enrollee may contact Delta Dental's Customer Service department at 800-422-4234 for information regarding the dental care guidelines for DeltaCare USA.

Coordination of Benefits

This Program provides Benefits without regard to coverage by any other group insurance policy or any other group health benefits program if the other policy or program covers services or expenses in addition to dental care. Otherwise, Benefits provided under this Program by specialists or Out-of-Network Dentists are coordinated with such other group dental insurance policy or any group dental benefits program. The determination of which policy or program is primary shall be governed by the rules stated in the Contract.

If this plan is secondary, it will pay the lesser of:

- the amount that it would have paid in the absence of any other dental benefit coverage, or
- the enrollee's total out-of-pocket cost payable under the primary dental benefit plan as long as the benefits are covered under this plan.

An Enrollee shall provide to Delta Dental and Delta Dental may release to or obtain from any insurance company or other organization, any information about the Enrollee that is needed to administer coordination of benefits. Delta Dental shall, in its sole discretion, determine whether any reimbursement to an insurance company or other organization is warranted under these coordination of benefits provisions, and any such reimbursement paid shall be deemed to be Benefits under this Contract. Delta Dental will have the right to recover from a Dentist, Enrollee, insurance company or other organization, as Delta Dental chooses, the amount of any Benefit paid by Delta Dental which exceeds its obligations under these coordination of benefit provisions.

Enrollee Complaint Procedure

Delta Dental shall provide notification if any dental services or claims are denied, in whole or in part, stating the specific reason or reasons for the denial. If you have any complaint regarding eligibility, the denial of dental services or claims, the policies, procedures or operations of Delta Dental, or the quality of dental services performed by a Contract Dentist, you may call the Customer Service department at 800-422-4234, or the complaint may be addressed in writing to:

Quality Management Department
P.O. Box 6050
Artesia, CA 90702

Written communication must include 1) the name of the patient, 2) the name, address, telephone number and identification number of the Primary Enrollee, 3) the name of the Client and 4) the Dentist's name and facility location.

For complaints involving an adverse benefit determination (e.g. a denial, modification or termination of a requested benefit or claim) you may file a request for review (a complaint) with Delta Dental at least 180 days after receipt of the adverse determination. Delta Dental's review will take into account all information, regardless of whether such information was submitted or considered initially. The review shall be conducted by a person who is neither the individual who made the original benefit determination, nor the subordinate of such individual. Upon request and free of charge, Delta Dental will provide you with copies of any pertinent documents that are relevant to the benefit determination, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in making the benefit determination. If the review of a denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the Contract, Delta Dental shall consult with a Dentist who has appropriate training and experience. If any consulting Dentist is

involved in the review, the identity of such consulting Dentist will be available upon request.

Within 5 calendar days of the receipt of any complaint, including adverse benefit determinations as described above, the quality management coordinator will forward to you an acknowledgment of receipt of the complaint. Certain complaints may require that you be referred to a regional dental consultant for clinical evaluation of the dental services provided. Delta Dental will forward to you a determination, in writing, within 30 days of receipt of a complaint. If the complaint involves severe pain and/or imminent and serious threat to a patient's dental health, Delta Dental will provide the Enrollee written notification regarding the disposition or pending status of the complaint within three days.

If you have completed Delta Dental's grievance process, or you have been involved in Delta Dental's grievance procedure for more than 30 days, you may file a complaint with the California Department of Managed Health Care. You may file a complaint with the Department immediately in an emergency situation, which is one involving severe pain and/or imminent and serious threat to your health.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **800-422-4234** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (**1-888-HMO-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The Department's Internet Web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

IMR is generally not applicable to a dental plan, unless that dental plan covers services related to the practice of medicine or is offered pursuant to a contract with a health plan providing medical, surgical or hospital services.

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), you may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of the claim or if you have questions about the rights under ERISA. You may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is: U.S. Department of Labor, Employee Benefits Security Administration, 200 Constitution Avenue, N.W. Washington, D.C. 20210.

Public Policy Participation by Enrollees

Delta Dental's Board of Directors includes Enrollees who participate in establishing Delta Dental's public policy regarding Enrollees through periodic review of Delta Dental's Quality Assessment program reports and communication from Enrollees. Enrollees may submit any suggestions regarding Delta Dental's public policy in writing to: Customer Service Department, P.O. Box 1803, Alpharetta, GA 30023.

Renewal and Termination of Benefits

This Program renews on the anniversary of the contract term unless Delta Dental provides notice of a change in premiums or Benefits and the Client does not accept the change. All Benefits terminate for any Enrollee as of the date that this Program is terminated, such person ceases to be eligible under the terms of this Program, or such person's enrollment is cancelled under the terms of this Program. We are not obligated to continue to provide Benefits to any such person in such event, except for completion of single procedures commenced while this Program was in effect.

Cancellation of Enrollment

Subject to any continued coverage option, an Eligible Employee's or Eligible Dependent's enrollment under this Program may be cancelled, or renewal of enrollment refused, in the following events:

- 1) Immediately upon loss of eligibility as described in this Evidence of Coverage;
or
- 2) Upon 30 days written notice if:
 - a) an Enrollee engages in conduct detrimental to safe operations and the delivery of services while in a Contract Dentist's facility;
 - b) the premiums are not paid by or on behalf of the Enrollee on the date due. However, the Enrollee may continue to receive Benefits during the 30-day period and may be reinstated during the term of this Program upon payment of any unpaid premium; or
 - c) the Enrollee knowingly commits or permits another person to commit fraud or deception in obtaining Benefits under this Program;
 - d) the Enrollee fails to pay Copayments. However, the Enrollee may be reinstated during the term of the Contract upon payment of all delinquent charges.
- 3) Upon 60 days written notice if the Contract is terminated or not renewed:

Cancellation of a Primary Enrollee's enrollment, as described above, shall automatically cancel the enrollment of any of his or her Dependent Enrollees. Any cancellation is subject to the written notification requirements set forth in the Contract.

If you believe that enrollment has been cancelled or not renewed because of your health status or requirements for health care services, or that of your dependent(s), you may request a review by the Director of the California Department of Managed Health Care of the State of California. Please refer to the *Enrollee Complaint Procedure* section for more information.

Optional Continuation of Coverage (COBRA)

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

The City of Los Angeles Flex Plan (governed under Section 125 of the IRS Code) will abide by the rules defined by the IRS for Qualifying Events, relating to COBRA. Enrollees who lose coverage under this Program due to certain Qualifying Events, are entitled to continue coverage at their own expense if the group is subject to COBRA.

The federal Consolidated Omnibus Budget Reconciliation Act (or COBRA, pertaining to certain employers having 20 or more employees) requires that continued health care coverage be made available to "Qualified Beneficiaries" who lose health care coverage under the group plan as a result of a "Qualifying Event." You may be entitled to continue coverage under this plan, *at your expense*, if certain conditions are met. The period of continued coverage depends on the Qualifying Event.

DEFINITIONS

The meaning of key terms used in this section are shown below.

Qualified Beneficiary means:

- 1) Enrollees who are enrolled in the Delta Dental plan on the day before the Qualifying Event, or
- 2) a child who is born to or placed for adoption with you during the period of continued coverage, provided such child is enrolled within 30 days of birth or placement for adoption.

Qualifying Event means any of the following events which, except for the election of this continued coverage, would result in a loss of coverage under the dental plan:

- | | |
|----------|---|
| Event 1. | the termination of employment (other than termination for gross misconduct) or the reduction in work hours, by your employer; |
| Event 2. | your death; |
| Event 3. | your divorce or legal separation from your spouse; |
| Event 4. | your dependent's loss of dependent status under the plan; and |
| Event 5. | as to your dependents only, your entitlement to Medicare. |

You or **your** means the Primary Enrollee.

PERIODS OF CONTINUED COVERAGE UNDER FEDERAL COBRA

Qualified Beneficiaries may continue coverage for 18 months following the month in which Qualifying Event 1 occurs.

This 18-month period can be extended for a total of 29 months, provided:

- 1) a determination is made under Title II or Title XVI of the Social Security Act that an individual is disabled on the date of the Qualifying Event or becomes disabled at any time during the first 60 days of continued coverage; and
- 2) notice of the determination is given to the employer during the initial 18 months of continued coverage and within 60 days of the date of the determination.

This period of coverage will end on the first day of the month that begins more than 30 days after the date of the final determination that the disabled individual is no longer disabled. You must notify your employer or Delta Dental within 30 days of any such determination.

If, during the 18 months continuation period resulting from Qualifying Event 1, your dependents, who are Qualified Beneficiaries, experience Qualifying Events 2, 3, 4 or 5, they may choose to extend coverage for up to a total of 36 months (inclusive of the period continued under Qualifying Event 1).

Your dependents, who are Qualified Beneficiaries, may continue coverage for 36 months following the occurrence of Qualifying Events 2, 3, 4 or 5.

Under federal COBRA law only, when an employer has filed for bankruptcy under Title 11, United States Code, benefits may be substantially reduced or eliminated for retired employees and their dependents, or the surviving spouse of a deceased retired employee. If this benefit reduction or elimination occurs within one year before or one year after filing, it is considered a Qualifying Event. If the Primary Enrollee is a retiree, and has lost coverage because of this Qualifying Event, he or she may choose to continue coverage until his or her death. The Primary Enrollee's dependents who have lost coverage because of this Qualifying Event may choose to continue coverage for up to 36 months following the Primary Enrollee's death.

ELECTION OF CONTINUED COVERAGE

A Qualified Beneficiary will have 60 days from a Qualifying Event to give Delta Dental written notice of the election to continue coverage.

Upon written notice, Delta Dental will provide a Qualified Beneficiary with the necessary Benefits information, monthly premium charge, enrollment forms and instructions to allow election of continued coverage.

Failure to provide this written notice of election to Delta Dental within 60 days will result in the loss of the right to continue coverage.

A Qualified Beneficiary has 45 days from the written election of continued coverage to pay the initial premium to Delta Dental, which includes the premium for each

month since the loss of coverage. Failure to pay the required premium within the 45 days will result in the loss of the right to continue coverage and any premiums received after that will be returned to the Qualified Beneficiary.

CONTINUED COVERAGE BENEFITS

The Benefits under the continued coverage will be the same as those provided to active employees and their dependents who are still enrolled in the dental plan. If the employer changes the coverage for active employees, the continued coverage will change as well. Premiums will be adjusted to reflect the changes made.

TERMINATION OF CONTINUED COVERAGE

A Qualified Beneficiary's coverage will terminate at the end of the month in which any of the following events first occur:

- 1) the allowable number of consecutive months of continued coverage is reached;
- 2) failure to pay the required premiums in a timely manner;
- 3) the employer ceases to provide any group dental plan to its employees;
- 4) the individual moves out of the plan's service area;
- 5) the individual first obtains coverage for dental Benefits, after the date of the election of continued coverage, under another group health plan (as an employee or dependent) which does not contain or apply any exclusion or limitation with respect to any pre-existing condition of such a person, if that pre-existing condition is covered under this plan; or
- 6) entitlement to Medicare.

Once continued coverage ends, it cannot be reinstated.

TERMINATION OF THE EMPLOYER'S DENTAL CONTRACT

If the dental contract between the employer and Delta Dental terminates prior to the time that the continuation coverage would otherwise terminate, the employer shall notify a Qualified Beneficiary either 30 days prior to the termination or when all Enrollees are notified, whichever is later, of the ability to elect continuation of coverage under the employer's subsequent dental plan, if any. The continuation coverage will be provided only for the balance of the period that a Qualified Beneficiary would have remained covered under the Delta Dental plan had such plan with the former employer not terminated. The employer shall notify the successor plan in writing of the Qualified Beneficiaries receiving continuation coverage so they may be notified of how to continue coverage. The continuation coverage will terminate if a Qualified Beneficiary fails to comply with the requirements pertaining to enrollment in and payment of premiums to the new group benefit plan.

OPEN ENROLLMENT CHANGE OF COVERAGE

A Qualified Beneficiary may elect to change continuation coverage during any subsequent open enrollment period, if the employer has contracted with another plan to provide coverage to its active employees. The continuation coverage under

the other plan will be provided only for the balance of the period that a Qualified Beneficiary would have remained under the Delta Dental plan.

Organ and Tissue Donation

Donating organs and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak with your physician. Organ donation begins at the hospital, when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.
